

Acton 2020 Meeting Minutes – Oct. 27th, 2010

Attendees: Margaret, Celia, Clint, Jim, Roland, Kristen, Sue (minutes), Sahana

- I. Minutes Approved for Oct. 13th 2010 meeting
- II. Discuss feedback from Oct. 20th Community Workshop
 - a. Outreach
 - i. Areas for Improvement
 1. Committee needed more time to look at presentation from PC beforehand as well as the handouts from PC that were provided to the public so we could be prepared for questions
 2. Participants needed more time to review materials (need more than 10 min.); consider less questions/less content; review content with teams before the discussions
 3. Try to get more ‘average citizen’ participation vs. active Acton residents because always get a skewed view; need to do our best to get to ALL citizens of the community – how? Suggestions:
 - a. Have posters at the Library with questions
 - b. Have a presence at WinterFest – not just a booth – and communicate with participants (FYI - next meeting in Jan.)
 - c. What brings people out? Focus on Major Issues that people care about: Open Space, Pay as you Throw, Taxes, Dogs, School Future.
 - d. Advertise based on the issues that will bring people out.
 - e. Change it to a weekend day.
 - f. Target Outreach to community groups.
 - g. Need a lot of repetition.
 - h. Target others to be involved.
 - i. Start earlier to plan event.
 - j. Need ground rules for team participation
 - k. Need more Planning Board members involved. Consider having separate meetings with Selectmen/Town Committee members and the general public. Need structured conversations, specific questions to ask committees to get their input and guidance vs. open-ended conversations.
 - l. Evaluate our position and our ability to engage Town committees in the process and to obtain their insights on what’s needed. – Clint suggested asking their opinions on future issues...taxes, water, traffic, etc. to get them engaged. Who is supposed to support/contribute to the long-term plan?
 4. PC PRESENTATION:
 - a. Delivery of PC presentation needed to be more interesting/engaging; have our committee more involved in the presentation; need more relevant data to present
 - b. More interaction from participants during presentation
 - c. Needed more time during PC presentation for people to ask questions

- d. Needed a clearer story about age of residents and directions
- 5. Facilitators were varied in ability; they were asked questions they didn't know answers; some participants were belligerent and railroaded team focus
- 6. Team discussions' voting on top 3 was not reasonable in view of limited review time and vagueness of goals.

 - 4. Summary Sheets on website
 - 5. Discuss results at upcoming Acton2020 meeting
- v. NEED TO COMMUNICATE GOALS of upcoming events
- vi. **Acton2020 Committee needs to make a list of what we need to see from the consultants – specifically which points of data are required. **Need focus on Long Term Plan.** PC is focused on 7 state elements but we need to focus on what's needed for our Town.  - 2. Need town census info on people moving in/out – needed trending info

V. HOW TO ENGAGE INTERESTED VOLUNTEERS?

- Per Jim, when fill out Contact Form, gets inserted into Google Doc on tab “web contacts” which includes date of contact, person, email address and what they're interested in (events, volunteer advisor, etc.)
 - If they want announcement, they put their name into the town website
 - If they're interested in being a volunteer advisor, copied contact info into correct section under their interests (if clear)
 - Not significant volume yet.
 - Jim suggests to list advisors and indicate their areas of interest in a checklist so we can contact them.
- Volunteer Advisors
 - Help review data by topic – for ex., school data filtered to Peter Ashton, John Peterson to take a look and help us to evaluate.
 - Alter approach to have them organize by current goal, focus more on specific issues. Then tie back to Phase I Goals.
 - Need to send note to Volunteer Advisors thanking them for their interest.

Meeting Adjourned at 9:30pm.
