OLD BUSINESS

Voting Place Access : Reviewed building and parking access issues with Frank.

Application for Variance for the Acton Family Dental Care, Inc: The decision of the AAB is to allow the dentist to see her patients at an alternate location.

NEW BUSINESS

Comprehensive Community Plan: Lisa will attend the upcoming meeting as our representative to the Comprehensive Community Plan Task Force.

Senior Center Feasibility Study: The Council on Aging has asked for our input. Some ideas were to include office spaces for other organizations (maybe COD), heated pool and recreation areas. We also thought its location should be more centralized and accessible for easier transportation.

Accessible Dining Guide: Approved allocation of 20 copies to MinuteMan Arc Early Intervention Program as per their request.

ADA Coordinator: Steve Ledoux is the new Town Manager. We need to have some dialogue with him concerning the ADA Coordinator post.
