

## **Cable Advisory Committee Meeting**

Thursday, Dec. 9th, 2010

Room 121, Town Hall

7:30 p.m.

**Attendees:** Oleg Volinsky, Chester Ruszczyk, Terence Lobo, Michael Geis

Also present at the meeting: John Covert (ACAT Treasurer), T.J. Dyer (ACAT President), Richard Calandrella (ACAT), Mike Gowing (Selectman).

Meeting was called to order at 7:40 pm

### **New Committee member:**

Terence Lobo introduced himself as a new member of the committee. He works for Cisco and has lived in Acton for 14 years.

Oleg discussed the committee's responsibilities to over see Comcast, Verizon and ACAT, resolving issues as they are reported to us.

### **Citizen's concerns:**

ACAT has a new member on the board of directors, which is now complete with seven members. ACAT is interviewing for an executive director, a paid position.

Mike Gowing said that Verizon should have fiber available to the entire town by Nov. 1, 2011. The winter's frozen ground will delay installation starts till March. We should invite Verizon to discuss the town build-out.

Oleg suggested we should also invite to Comcast.

There are still problems of hanging wires from the poles caused by incomplete Verizon installations.

Minutes from the previous meeting 11/10/2010 were approved.

The minutes of the approved meetings are sent directly to Comcast and Verizon, as well as being on Acton's web site.

The unapproved minutes are sent to [cac@acton-ma.gov](mailto:cac@acton-ma.gov). Approved minutes should be sent to "accessinterest@acton.org" "clerk@acton-ma.gov" and "manager@acton-ma.gov"

Meeting adjourned at 8:10. Minutes take by Mike Geis.
