Weiyuan Sun-Administration

Other Present: Tony Russo, Paul Lang and Peg Mikkola

Location: Acton Library, Acton, MA 01720

The meeting was called to order at 7:30 p.m.

Tobacco Violation - Acton Convenience

The Board of Health received notification from The Massachusetts Tobacco Cessation and Prevention Program (MTCP) that an employee of Acton Convenience sold tobacco products to a minor on December 27, 2011. Mr. Tony Russo, the owner of Acton Convenience stated that he is fully responsible for this serious violation. He will reinforce training to his employees, ensuring that they will ask for a photographic identification to avoid this from happening again. Mr. Russo stated that he will ensure compliance with Acton Board of Health Rules and Regulations -Article 18. The Board agreed with Mr. Russo plan.

Tobacco Violation – West Acton Mobil

The Board of Health received notification from The Massachusetts Tobacco Cessation and Prevention Program (MTCP) that an employee of West Acton Mobil sold tobacco products to a minor on December 27, 2011. Mr. Paul Lang, the owner of West Acton Mobil stated that he does not know which employee sold the tobacco to the minor and asked that the MTCP provide more details, such as the employee's name, time of day and/or video. Mr. Lang stated that he will take this violation as a serious matter and will reinforce training to his employees, ensuring that they will ask for a photographic identification to avoid this from happening again. Mr. Lang stated that he will ensure compliance with Acton Board of Health Rules and Regulations -Article 18. The Board agreed with Mr. Lang plan.

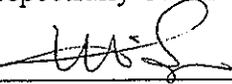

Acton 20-20-Informational Session

The Board reviewed the Acton 2020 implementation information. Some of the recommendations reviewed were that the transfer station could potentially sort bikes, tables, desks for Acton families to reuse; that there be more hazardous waste days; that the Minute Van and COA shuttle be combined into a single organization with a scheduled fix route as the most common destination was the commuter rail station. (It should be noted that there are approximately 7,000 people that used 'Dial-A-Ride' Minute Van service and 4000 people that used COA shuttle service every year.)

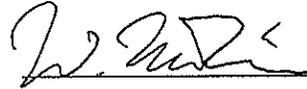

Adjournment

On a motion made by Mr. Kreuze and seconded by Mr. McInnis, the Board unanimously voted to adjourn the meeting at 8:51p.m.

Respectfully Submitted,

Weiyuan Sun, Administrator
Acton Board of Health

William McInnis, Chairman
Acton Board of Health
