II. Implementation Strategies for Acton 2020 Action Items

Printed version of spreadsheet provided. We haven't had any discussions about housing and how that is going to playback into promoting diversity, land use and others. Have also done very little with transportation. Open space, forest lands, TDR - concept of development rights separated from the land, Zoning. Julie Conroy offered to restart conversation with Mass Department of Revenue regarding CPA monies. Sewers, senior center, where it's sited. Might be useful to review BOS 5 year priorities.

III. Administrative Updates

Knox Trail Discussion: Water district serves 95% of the town. Water land management committee looked at this issue to come up with recommendation. Recommended changes to zoning bylaws.
