

## SOUTH ACTON PARKING DECK ADVISORY COMMITTEE

MINUTES – MARCH 12, 2009

Peter Berry  
Dore' Hunter  
Tom Campbell  
Nick Zavalas  
Jim Yarin  
Greta Eckhardt  
Bruce Stamski

Dore' and Bruce talked about the meeting today with the MBTA architect for the track and station improvements. There was a long discussion about how the track changes would change the station area and affect the deck project.

Peter led a discussion of how to ask the MBTA questions in the next meeting.

- Can the track crossing ramp be integrated with the rail trail crossing?
- At what points in the process will the design and plans be available for review with the town?
- Are what point are we committed to the project and what are we committing to?
- What control do we have over the new spaces?
