**Rescind the Order of Taking and to Vote on Acceptance and Execution of Temporary and Permanent Easement Agreements and Acquisition for the Assabet River Rail Trail at 20 Main Street**

Planning Director Bartl described current negotiations with John Anderson, on behalf of Robert Anderson and Wedgewood Realty Trust, concerning the value of the easement at 20 Main Street. Both the Town Manager and Planning Director reported that Mr. Anderson wanted \$50,000 in addition to the value of the easement because of the added long-term expenses and responsibility, for example, potential additional liability because of placing snow on the rail trail. Mr. Ledoux had reported that the Town had offered an additional \$20,000. The issue for the Board was whether to agree to the larger amount that Mr. Anderson wanted. The Board discussed the pros and cons of agreeing to the full \$50,000: some members had reservations; others saw the payment as a reasonable, cost-effective way to resolve the difference of opinion and secure the easement.

Ms. Osman moved, seconded by Ms. Adachi that the Town pay an additional \$50,000 for the added liability placed on 20 Main Street.

Mr. Ledoux suggested that the \$50,000 could come from discretionary funds from Concord Mews project. All Ayes (4-0)
