MEETING POSTED: YES

DATE: 1/20/2016 TIME: 2:00pm PLACE: Town Hall Room 126

ALSO PRESENT: Shawn O'Malley, Allura Overstreet, Fran Osmon

MEETING CALLED TO ORDER AT:

OLD BUSINESS:

Review and sign minutes from last meeting. Minutes signed.

NEW BUSINESS:

Dorothy Kalloch requests an exception to allow 2nd flush marker on grave space 8 on lot 107 section 3 (AW Davis Lot).

After much discussion the Commissioners voted to uphold the Rules and Regulations that state only one flush marker per grave space. The family has the option of removing the existing marker and replacing it with another with both names on it or lettering the existing monument.

Review and/or modify Rules and Regulations pertaining to the number of flush markers allowed on a single grave space. Also to remove the "Baby Grave space" rate since we no longer have baby sections in either cemetery.

Motion to remove the "Baby grave space rate" from the rate schedule, 2nd, pass. As for the number of flush markers allowed on a grave space, the Commissioners would like to think on this and re-visit the Rules and Regulations to update them and address this and other concerns of the Cemetery Crew Chief and Secretary in future meetings.

An update of the Crew activities and any concerns since the last Cemetery Commissioners meeting.

Nothing new, no additional tree work has commenced yet, we are waiting to schedule.
