Date/Time: 7:30 PM THURSDAY 07 JANUARY 2016

Location: ACTON TOWN HALL

Attendees: David Martin, Michaela Moran, Thomas Campbell, Sean Hanley, Dave Wellinghoff

The meeting started at 7:35 PM.

Comments from the public

Citizen commented on concerns about lack of parking.

Citizen commented about change in station traffic pattern dynamics, particularly on Maple street using turn lane for access drop off. Traffic increasing on Maple including traffic going the wrong way.

Construction - progress, schedule, noise, and issues

Nearing end, a lot of site work to go. Possible need for elevator service sign. Ribbon cutting possible on Jan. 28.

Illumination – Maple Street Entrance

Evaluating solutions on lighting.

Revised train schedule - update

David attended MAPC meeting. Six trainsets are expected with new schedule (up from 5). Trainsets are expected to stay with one line instead of being rotated around.

Wachusett stop should be added at end of year. On Jan. 28th at 6pm in Concord townhouse there is a public comment meeting on the new schedule.

Portable toilet

Where to locat toilet? Is it really necessary, there are toilets on the train itself as well as North Station? Cost could be upwards of \$50-70k.

Breakfast truck

Food truck would use curb cut (back onto plaza). How would truck be advertised? How would word get out?

Sculpture
