**TOWN OF ACTON
WATER RESOURCES ADVISORY COMMITTEE MEETING AGENDA
DECEMBER 12, 2018 @ 7:00 PM ET
Acton Water District Headquarters Building
693 Massachusetts Avenue, Acton, MA**

Citizen Comments:

Any citizens attending the meeting who wish to be heard by the WRAC will be able to make their comments at the beginning of the meeting. They are welcome to remain for the entire meeting.

Old Business:

- Approval of minutes of November 14, 2018
- Continue discussion and analysis of data obtained during September 22, 2018 Water Resources Workshop. Sub-committee teams will continue to present their reports to the WRAC.

New Business:

- Report and discussion with Town Engineer (Paul Campbell) on recommendations regarding Chapter X bylaw regulating storm water.
- Update from Town Engineer on MS4 permit (municipal separate storm sewer systems) which are required to develop, implement and enforce a storm water management program under NPDES (National Pollutant Discharge Elimination System, EPA).
- VCC Recruiting Effort: Should the WRAC participate in this program now that the WRAC has an open associate member vacancy available. If so, how should we participate? Should we fill the newly available associate member vacancy?
- What should be the next steps if the team reporting has concluded?
- Any agenda item(s) which did not come to the attention of the committee 48 hours prior to this meeting and were not reasonably anticipated.
