Robert,

Please continue us to the October 6th meeting to allow time for us and the applicant to work with Town Staff to ensure that all abutters are properly notified. We have reached out to the Assessors office and requested a new list, which we expect to receive tomorrow. We will confirm which abutters have been omitted from the first round of notifications and contact you before the end of the week so that we can ensure all notifications are mailed out in time for the 10/6 meeting. It is unfortunate that this error has forced us to continue, however we feel that continuation is the simplest way to ensure all proper legal procedures have been followed.

If possible, can you please notify the Board that our only reason for requesting this continuance is due to the Abutter Notification issue. We were looking forward to discussing this project with the board this evening, but it will need to wait until 10/6.

Thank you,
Paul Kirchner, E.I.T.
