**I. Business: GAB support letter for Warrant Articles 13 & 14**

Review of and discussion and vote to approve the letter related to Article 13 & Article 14.

Ms. Cousins mentions discrepancy in Warrant Article. The number printed in the GAB letter is 41% stationary energy, but according to the data in the GHG Inventory indicates that gas & oil only make up 29.7%. Ms. Cousins shared screen to show natural gas & oil emissions: [INCLUDE LINK](#)

Mr. Hudson made a motion to vote in support of the letter with the change to the reference in oil & gas emissions to a more general statement on emissions: “This report showed that the largest source of greenhouse gases in Acton, after transportation, was natural gas and oil used to heat residential and commercial spaces. We have quantified and identified that heating buildings is a significant contributor to the Town’s carbon footprint.”
