3. Minutes of the March 16, 1992 were unanimously accepted as corrected
4. New Truck  
Only one person came to look at the truck being traded in  
B. Kendall of the Highway Dept. recommends that we accept the 9' plow that will come with the new truck  
They have an extra 8' plow we can use for the old section  
Though the Commissioners see no need for the dome light or spotlight, the truck will come equipped with them in case it is needed for Town emergencies  
It is the opinion of the Commissioners that the Town should try to get more than 1 bid
5. Stewart Conant request  
Mr. Conant has requested permission for a cremation interment on a Sunday in May  
Our Rules and Regulations clearly state that we do no Sunday interments  
S. Kennedy had suggested that a family member or members bring the cremation on a weekday and witness the interment and that the family hold a graveside service on Sunday  
  
Voted: Let Mr. Conant know that the interment can be made on a Saturday, or earlier in the week and a graveside service held at the convenience of the family
6. Grever & Ward  
The Commissioners reviewed Grever & Ward's proposal to design Section 9, Mount Hope Cemetery.  
  
Voted: To accept the proposal pending Town Meeting vote to use money from the Cemetery Land Fund for this purpose
