  6. Discussed Mr. Klemmer's request to remove dead trees on Chapel property that overhang his driveway. Department will take care of the problem as soon as the leaves are picked up.
  7. Update on Mount Hope Building  
Architect and McKenzie (low bidder) met with Stewart last Friday, November 7. There is so much work out there and so much paper work to do a job for a municipality, that you are culling out a lot of builders. Revisal plans - bid whole building, footprint only; cut building in half-one bay door only. We need to get an Article in before December 15 as a safety valve. Eliminate sawed stone siding and fancy trims.
  8. Lower Gate - Mount Hope  
Stewart spoke to Dave Abbt, got revised drawings. Design shows gate posts only, not stone posts.  
Motion: Do further study on Lower gate at Mount Hope  
Voted: unanimously to do further study as motioned.
  9. Commissioners signed letter of charge for Spag's.
  10. Next meeting - December 9, 1986 at 7:30 p.m.
  11. Meeting adjourned at 9:20 p.m.
