Discussion on Application by Daniel Factor for Human Service Committee (HSC)

- Mr. Factor developed interests in human services issue in town not only because of his work as a public interests attorney but even more so as a community member. He is trying to help vulnerable people whenever he can. In his opinion, there are vulnerable people in town under served. He found that the more vulnerable you are, the more likely you are not going to be the one reaching out to the town’s service. It is really the town going to have to reach out to them. He sees his role as a member of the committee supporting, advising the town, and also using his personal skills along with other members coming up with things if we can do more.
- Mr. Factor indicated that he could attend future HSC meetings regularly.
- Mr. Factor reported no conflict of interest. If ever he has to deal with an individual with whom he is associated professionally as a client or an opposing party, he will recuse himself. But he does not think that will happen.

Mr. Yang moved to forward Daniel Factor’s name to the Select Board for further consideration to be appointed as a member of HSC. Mr. Kong seconded. Chair Hutchins called roll:
