## **2 FINDINGS and CONCLUSIONS**

Based upon its review of the exhibits and the record of the proceedings the Board finds and concludes that:

- 2.1 The Site is located within the Limited Business District (LB) zoning district.
- 2.2 The Applicant requests a special permit to replace the existing wall sign (permit #2691) with a new exterior Wall Sign (hereinafter the Sign) at the Site that would not otherwise be allowed under the Bylaw:
  - a) With a height, in excess of the 3 feet as prescribed by Bylaw Section 7.7.4.2. The height of the proposed Sign is 3'-11 3/8".
  - b) With a display area, in excess of the 31 square feet as prescribed by Bylaw Section 7.7.4.1. The proposed display area is 58.3 square feet.
  - c) In a position not otherwise allowed as prescribed by Bylaw Section 7.7.3. The top and bottom of the Sign is located 4" from architectural features on the building.
  - c) With a method of Sign illumination not otherwise permitted by Bylaw Section 7.4.3. The entire medallion (company logo) is proposed to be internally illuminated.
- 2.3 The Sign may be allowed on the Site by special permit in accordance with Sections 7.13.1.2 (a), 7.13.1.2 (b), 7.13.1.3 and 7.13.1.9 of the Bylaw.
- 2.4 The Sign projects 1'-1/2" from the building where it is attached. Bylaw Section 7.7.4.6 limits the projection of the sign to no more than 1 foot from the surface to which it is attached.
- 2.5 The width of the Sign is 14'- 9 1/16".
- 2.6 The Sign is positioned approximately 10 feet from the horizontal edge of the building, greater than 8 feet from any vertical edge of the building and positioned greater than 1 foot from the window sills on the second story.
- 2.7 The portion of the Sign lighting that reads "Liberty Mutual Insurance" and the line under "Liberty Mutual" complies with Bylaw Section 7.4.3.4 (e). This portion of the Sign is made of individual letters internally illuminated.
- 2.8 The Sign is consistent with the character and uses of the area and with the Zoning District in which they will be located.
- 2.9 The Sign is appropriate in scale, design, and proportion relative to the buildings in the area and to the general surroundings. It is attractively designed, appropriately located, and will be compatible with the buildings to which it principally relates, and it is in harmony with the general area of the Limited Business District.
- 2.10 The Sign is a continuous part of an integrated architectural design of the entire Site.

- 2.11 The colors and materials of the Sign are restrained, and in harmony with the buildings.
- 2.12 The materials used for the Sign are appropriate for the Limited Business District and do not detract from the aesthetic qualities of the surroundings.
- 2.13 The number of graphic elements on the Sign are held to the minimum needed to convey their primary messages and are in good proportion to the area of the Sign's faces.
- 2.14 The Sign will not unduly compete for attention with any other signs in the area.
- 2.15 The Sign is necessary for adequate identification of the business at this Site.
- 2.16 The Sign as approved herein is appropriate for the Site; is consistent with the Master Plan; is in harmony with the purpose and intent of the Bylaw, specifically Section 7; will not be detrimental or injurious to the neighborhood where it is proposed; and complies in all respects to the applicable requirements of the Bylaw and the Rules.
- 2.17 The Board has received comments from various Town departments, which are listed in Exhibit 1.2 above. The Board considered these comments in its deliberations, made them available to the Applicant, and incorporated them into this decision as deemed appropriate.
