2 FINDINGS and CONCLUSIONS

Based upon its review of the exhibits and the record of the proceedings the Board finds and concludes that:

- 2.1 The Site is located within the East Acton Village (EAV) zoning district.
- 2.2 77 Great Road is one portion of a larger group of properties which act and function as a Business Center as defined in section 7.2.3 of the Bylaw.
- 2.3 The Applicant requests a Special Permit for two Awning Signs at the Site that would not otherwise be allowed under the Zoning Bylaw.
- 2.4 The proposed Awning Sign on the front on the second floor:
 - a) It would be located over the top of the first set of second floor double windows on the left side of the building and above the existing "Atlantic Sea Grill Sign". Awning Signs are not allowed to be located on the second floor of buildings according to 7.7.4.4 in the Zoning Bylaw.
 - b) The Bylaw allows by right an Awning Sign to have a display area up to 12 square feet (7.7.6).
 - c) It is 12'-0" (144") wide by 1'-8" (20") high and has a display area of 20 square feet.
 - d) It will not be illuminated.
 - e) It may be allowed on the Site by Special Permit in accordance with section 7.13.1.2 b) and 7.13.1.3 of the Bylaw.
- 2.5 The proposed Secondary Awning Sign on the back of the building:

- a) It is not located at the correct located listed in (7.7.7). The Bylaw allows one Secondary Exterior Sign for a Business that has a direct entrance other than the front wall. (7.7.7).
 - b) It is 7'-5" (89") wide by 1'-6" (18") high and has a display area of 11.125 square feet. The Bylaw allows by right a Secondary Exterior Sign to have a display area up to 6 square feet (7.7.7).
 - c) It will not be illuminated.
 - d) It may be allowed on the Site by Special Permit in accordance with section 7.13.1.2 b) and 7.13.1.3.
- 2.6 Visibility for businesses located in the 77 Great Road building is a challenge. The subject building has a significant setback from Great Road and is located behind multiple other existing 2 story buildings. Access to the 77 Great Road building is provided from one of three access drives along Great Road or a fourth access drive off of Pope Road. There is one Business Center sign located along Great Road just north of the intersection with Pope Road.
- 2.7 From Great Road, way finding to the individual businesses can be challenging due to the layout of the general overall site, multiple tenant buildings and the property having multiple access points along Great Road and Pope Road.
- 2.8 Most of the tenants in the overall complex have wall signs on the buildings.
- 2.9 There is presently a second story awning sign for "Be Well and Beyond" on the 77 Great Road building, which appears to have been installed without permits.
- 2.10 The Signs are consistent with the character and uses of the area and with the Zoning District in which it will be located.
- 2.11 The Signs are appropriate in scale, design, and proportion relative to the buildings in the area and to the general surroundings. The Signs are attractively designed, appropriately located, and will be compatible with the buildings to which it principally relates, and are in harmony with the general area and character of the EAV zoning district.
- 2.12 The colors and materials of the Signs are restrained, and in harmony with the buildings.
- 2.13 The materials used for the Signs are appropriate and do not detract from the aesthetic qualities of the surroundings.
- 2.14 The number of graphic elements on the Signs are held to the minimum needed to convey its primary message and is in good proportion to the area of the Sign's face.
- 2.15 The Signs will not unduly compete for attention with any other signs in the area.
- 2.16 The Signs are necessary for adequate identification of the business at this Site.
- 2.17 The Signs as approved and conditioned herein is appropriate for the Site; is consistent with the Master Plan; is in harmony with the purpose and intent of the Bylaw, specifically Section 7; will not be detrimental or injurious to the neighborhood where it is proposed; and comply in all respects to the applicable requirements of the Bylaw and the Rules.
- 2.18 The Board has received a memo from the Planning Department, which is listed in Exhibit 1.2 above. The Board considered the comments in its deliberations, made them available to the Applicant, and incorporated them into this Decision as deemed appropriate.
