

Green Advisory Board Green Community Designation Task Force

May 10, 2010 Meeting #3

Present: Tom Michelman, John Murray, JD Head, Chris Schaffner, Dennis Loria, Kate Crosby

Meeting begins at 4:10pm

Review of benchmark data on Portfolio Manager, espec. Gates and Admin Building

Discussion of five year 20% reduction plan created by Chris Schaffner for submission May 14

Discussion: Can we expect 5% reduction in vehicle fuel efficiency over the next 5 years? Let's assume that driving stays constant....is it reasonable to predict a 5% drop in fuel use because there will be an improvement in fuel efficiency.

Tasks remaining for submission 5.14:

- Chris to clean up data on 5 year plan
 - JD and JMurray to clarify vehicle replacement plan
 - Tom to create benchmark spreadsheets for each town & school building
 - Chris, Tom, Dennis, Kate to contribute to writing that remains for Criteria 3
- All to be submitted to JMurray Friday morning 5.14

Discussion of items for grant application—will meet again 5.17.10 to work on grant application

Meeting adjourned 6:45pm
