

Town of Acton

Commission on Disability

October 13, 2010

1:00 PM

Acton Safety building

Agenda

Thomas Hopkins, Director, AAB (Architectural Access Board) will be giving a training on 521 CMR Section 3 Jurisdiction. He will also offer complaint case studies, as well as variance studies and touch on license agreements for access on city/town sidewalks, and provide sample license written lease agreements already in existence around the Commonwealth. He will be giving an update on the Board subcommittee on regulation, and will take questions at any point.

The COD expects to bring up any relevant past or present Acton variance s and to discuss possible procedural improvements that will help the COD to better serve the Town with citizen variance applications
