Morrison Farm

School Street

70 Quarry Road

Main Street

Slides should be sent to Lisa Tomyl today to be ready for the meeting

Clare introduced some new ideas for slides adding all options we could have once we adjourn.

Vote to approve, no Town Meeting(TM) involvement

Vote to approve, contingent on TM vote in 2021

Postpone Decision

Vote to Deny and dissolve the Committee

Discussion ensued.

Some Supporters (Terra and Alissa) will be speaking up

Clare has a list of Supporters with different ideas and skills that will come to the meeting.

Many will contribute if possible.

Joan says that if we have to wait one more year, we should not have to go to TM.

There seems to be a double standard if the Pump Park does not have to go to TM.

Karen sent a message asking is participants can chat.

Tom plans to attend the AHA meeting tonight to answer any questions. He has told them that they have many supporters and we were among them. Their plans are impressive.

Clare picked up noise that said that the AHA would be voting to oppose the Dog Park.

We are the last on the agenda.

Meeting was adjourned at 5:00.

Respectfully submitted,
Mike Perry
