The Public Hearing opened at 7:45 P.M.

The Board of Health accepted comments regarding the proposed hazardous materials control bylaw. The primary concerns raised were the detectable limit when discharges must be reported and regulating of discharges into the air. Secondary concerns included limitation on consultants removing samples from a site, the discharge of decontaminated water, the replacement of leaking storage systems and the discharge of fertilizers and pesticides.

After hearing all comments the Board of Health closed the Public Health at 8:45 P.M.

The Public Meeting opened at 8:45 P.M. The Board of Health reviewed the comments regarding the Hazardous Materials Control Bylaw. Possible revisions were discussed but the Board determined to take no action until the entire Board could be present to vote on any revisions.

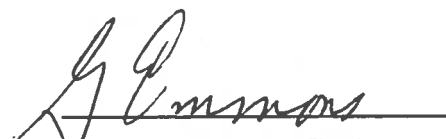

On a motion made by Mr. Glannon, seconded by Ms. Hotch, the Board unanimously voted to adjourn at 9:10 P.M.
