Tom Gillispie opened the meeting at 7:05 PM.

Dennis Dale walked the committee around and thru the property. Temporary stakes were used to help visualize the borders/fencing etc.

Dennis brought multiple sketches to also help orient the committee and friends.

The site visit was very helpful to all, particularly to see the “back” piece of the property with an older stone wall, various plants/trees, etc.

Adjournment at 8:30.

Respectfully submitted.
