Cemetery Building renovation funding:

Tom Tidman reports that we have almost all of our funding in place but we are short approx. \$70,000. In 2004 funds from the Land Fund were approved for transfer in a warrant article approved at Town Meeting for developing Section 9 in Mount Hope in the amount of \$100,000. Since 2004 we have spent approx. \$30,057.54 leaving a remaining sum of \$69,942.46. Tom proposes using the remaining sum for the building renovation (pending approval from accounting and budget committee) and later using the Jenks Family Trust for the completion and beautification of section 9 in Mt. Hope. Bill Klauer motions "we attempt to use the remaining funds for the renovation pending approval from the Budget Committee". 2nd, passed.
