## **SECTION 2**

### **PRELIMINARY REVIEW**

#### **2.1 Preliminary Consultations**

Consultations between a prospective APPLICANT and the professional staff of the TOWN prior to the filing of an APPLICATION under these RULES with the BOARD are strongly recommended and can prevent serious delays in the processing of the final APPLICATION.

Any action or communication initiated by the APPLICANT prior to the filing of an APPLICATION with the Town Clerk and the BOARD shall not constitute a PERMIT APPLICATION. The following RULES shall apply to such preliminary consultations.

#### **2.2 Form of Request**

All materials to be reviewed shall be provided in electronic PDF format to the Planning Department including a letter requesting a review with the name, address, and phone number of a person who may be contacted concerning the review. All correspondence and communication must be sent through the Planning Department or a copy of said communication must be provided to the Planning Department.

#### **2.3 Scope of TOWN Staff Reviews**

The TOWN staff will review preliminary materials in an attempt to avoid unnecessary technical deficiencies in the final APPLICATION and to promote efficiency in the formal review process. Staff will limit their review of such materials to technical issues appropriate to their area of expertise and to assessments of whether the project in question adequately addresses major issues of concern to the TOWN and the neighborhood. In general, staff will complete the preliminary review within 30 days. Staff will not be responsible for assuring the thoroughness, completeness, or correctness of any final APPLICATION. It is the responsibility of the APPLICANT to assure that any APPLICATION to the BOARD is complete and accurate.

Through the preliminary review process staff will make recommendations for any fee waivers or additional deposits that may be appropriate. Note that substantial changes in the project may require the alteration of these recommendations at the time of final submission. In all cases APPLICANTS shall contact the Planning Department prior to the final submission to discuss these fees.

If any other Special Permits are required from the BOARD for the project, then these should be discussed with the staff at this time.

#### **2.4 Fees**

The first such preliminary review by staff of an APPLICATION shall be free of charge. Subsequent preliminary reviews shall require payment of a fee by the prospective APPLICANT of \$500 at the time of submission. The fee shall be submitted in check form and made payable to "Town of Acton."

## **SECTION 3**

## **SECTION 4**

### **FILING PROCEDURES**

#### **4.1 Who May File an APPLICATION?**

Anyone may file an APPLICATION for a PERMIT provided that the property owner of record shall sign the APPLICATION form thereby granting his/her consent to the filing of the APPLICATION.

#### **4.2 APPLICATION Fees**

An APPLICATION shall be accompanied by a fee in check form and made payable to the "Town of Acton". The filing fee shall be the amount established by the Board of Selectmen in accordance with MGL Ch. 40, S. 22F. The fee schedule is in Appendix D of these RULES. The filing fee is not refundable.

4.2.1 Additional Review Fee Deposits - So that the BOARD may make the findings required under the BYLAW and insure that the public safety will be protected, the BOARD may select and hire outside traffic, engineering, legal, or planning consultants to review an APPLICATION. To cover the cost of these reviews a review fee deposit may also be required of an APPLICANT at the time of submission or at any appropriate time in the review process. As the scope of study and review will vary according to the size of a particular project, the APPLICANT is hereby strongly advised to consult the Planning Department concerning the scope and cost of any such studies during the preliminary review. Failure to do so could result in serious delays in the processing of the APPLICATION. The amount of the fee deposit will reflect the anticipated consultant fee(s) plus 10%. Note that some projects may require additional fees to cover further study if significant impacts or problems are found in the initial review. Any amount of the deposits remaining after the issuance of Building Permits for the proposed construction plus any remaining accrued interest will be repaid to the APPLICANT or the APPLICANT's successor in interest.

4.2.2 Appeal from the Selection of the Consultants - The APPLICANT may appeal from the selection of an outside review consultant to the Board of Selectmen. The grounds for such an appeal shall be limited to claims that the consultant selected has a conflict of interest or does not possess the minimum required qualifications of an educational degree in or related to the field at issue or three or more years of practice in the field at issue or a related field. The APPLICANT must specify the specific grounds which the APPLICANT claims constitute a conflict of interest or a failure to meet minimum professional requirements.

#### **4.3 Submission to the TOWN Clerk and the BOARD**

Two complete paper copies of the APPLICATION shall be submitted to the office of the Acton Town Clerk. The Clerk will certify the date and time of filing on both copies, keep one of the copies, and return the other to the APPLICANT. The copy returned by the Clerk, the remaining 2 copies of full size plan, the 11 reduced size plan copies, and the required fees shall then be filed forthwith by the APPLICANT with the office of the BOARD during normal business hours. The APPLICANT may request and shall be entitled to a written receipt for the materials submitted.

#### **4.4 Review of APPLICATION**

The BOARD will transmit a copy of an APPLICATION to various other TOWN departments, boards, committees, agencies, or independent consultants in order to ensure full and qualified review of the APPLICATION. Thirty-five (35) days will be provided for such reviews; failure to submit comments on the APPLICATION shall be deemed an approval by the reviewing party. The BOARD will make available to the APPLICANT upon request a copy of any comments or recommendations received.

If significant information that was not included in the APPLICATION is presented at a later time or at the public hearing, the hearing may be continued to allow for staff review of the new material. Additional materials shall be submitted to the Board in the same manner and form as the original APPLICATION.

## **SECTION 5**

### **PUBLIC HEARING & DECISION**

#### **5.1 Public Hearing Notice**

The BOARD will hold a public hearing within 65 days of the APPLICATION filing date. Pursuant to M.G.L. ch. 40A, s. 11, the BOARD will give notice of the time and place of the public hearing and its subject matter, sufficient for identification, as follows:

- 5.1.1 By publication of the notice in a newspaper of general circulation in the Town of Acton once in each of two successive weeks, the first publication to be not less than fourteen days before the day of the public hearing. The newspaper will send the bill for the advertisement directly to the Applicant and the Applicant shall pay the bill directly to the newspaper.
- 5.1.2 By posting the notice in a conspicuous place in the Acton Town Hall or on the official Town of Acton website for a period of not less than fourteen days before the day of the public hearing.
- 5.1.3 By mailing the notice with Accountable Mail to all PARTIES IN INTEREST.
- 5.1.3.1 At least 21 days before the day of the public hearing, the APPLICANT shall submit to the Planning Department the Accountable Mail letters containing the notice, addressed to each PARTY IN INTEREST, sender shown as the Town of Acton Planning Board, 472 Main Street, Acton, MA 01720. The envelopes are to be sealed, ready to be mailed, accompanied by one copy of the notice for the BOARD record, and payment to the Town of Acton for the cost of the Accountable Mailings. In addition, submit a duplicate set of empty, open envelopes, standard postage prepaid, addressed to each PARTY IN INTEREST, sender as above, for the mailing of the decision notice.

#### **5.2 Public Hearing Presentation**

An APPLICANT may appear on his/her/its own behalf or be represented by an agent or attorney. It is the responsibility of the APPLICANT or his/her/its agent to present the APPLICATION to the BOARD and to the public. In the absence of an appearance, the BOARD may decide the matter using the information it has received. Failure to appear at a public hearing could seriously jeopardize the success of an APPLICATION.

- 5.2.1 Presentation of the APPLICATION by the APPLICANT should not exceed 10 minutes in duration except for good reason. The APPLICANT may be requested to answer questions raised by the BOARD or the public. The BOARD will retain any evidence which has been introduced at the hearing for reference in its deliberations on the case.
- 5.2.2 In no case will the BOARD allow new evidence to be admitted after the close of the public hearing unless this evidence was specifically requested by the BOARD prior to the close of the public hearing.

#### **5.3 Withdrawal of APPLICATION**

Any APPLICATION for a PERMIT submitted hereunder may be withdrawn without prejudice by notice in writing to the BOARD prior to the notice of a public hearing being posted or mailed pursuant to Sect. 6.1 above. Withdrawal of any APPLICATION thereafter requires BOARD approval. No refund of fees will be provided if an APPLICATION is withdrawn.

#### **5.4 Time Period for Deliberation**

The BOARD will act on each APPLICATION for a PERMIT within ninety (90) days after the public hearing, unless such APPLICATION has been withdrawn from consideration as set forth in Section 6.3 above.

- 5.4.1 Continuation & Extension - The period within which final action shall be taken may be extended for a defined period by written agreement between the BOARD and the APPLICANT. In the event that the BOARD determines that the APPLICATION is inadequate for the BOARD to make a finding, the BOARD may, at its discretion, continue the hearing to a later date to permit the APPLICANT to submit a revised APPLICATION. The BOARD may, at its discretion, require that an additional \$500 fee be paid by the APPLICANT prior to the close of the public hearing if such a continuation results from a deficiency in the original APPLICATION. Such a continuation may not automatically extend the 90-day period within which final action shall be taken by the BOARD unless the extension is agreed upon by both the BOARD and the APPLICANT.

#### **5.5 DECISION**

The concurring vote of five (5) of the seven (7) members of the BOARD shall be necessary to decide in favor of granting a PERMIT. Only those members of the BOARD who were in attendance at the public hearing may vote on the APPLICATION in question.

- 5.5.1 The BOARD will file its DECISION with the Town Clerk and send a copy to the APPLICANT by certified mail. The BOARD shall also send a notice of its DECISION to the property owner, to other TOWN boards and departments, to PARTIES IN INTEREST, and to those who have requested such notice at the public hearing.

#### **5.6 Recording of DECISION**

The recording of a DECISION is required by THE ZONING ACT and the BYLAW. The APPLICANT shall be responsible for recording a full copy of the DECISION in the Middlesex South District Registry of Deeds in Cambridge or the Land Court and for paying any required recording fees. A copy of the recorded DECISION, certified by the Registry of Deeds, must be submitted to the BOARD and the Zoning Enforcement Officer prior to issuance of a BUILDING Permit or the start of any work.

#### **5.7 Submission of Approved Plans, Endorsement**

Prior to the issuance of a BUILDING permit, the approved plan as amended by the BOARD in its DECISION of approval shall be submitted for endorsement to the office of the BOARD in electronic PDF and scalable CADD formats and registered to the Massachusetts State Plane Coordinate System, plus 1 full size plan printed on 24" x 36" sheets. No BUILDING Permit will be issued until the plan is found to be in compliance with the BOARD'S DECISION and such endorsement has occurred.

#### **5.8 Appeal of DECISION**

Any person aggrieved by a DECISION of the BOARD, whether or not previously a party to the proceeding, may appeal such DECISION in accordance with MGL, Chapter 40A, Section 17 within 20 days after the filing of the DECISION with the Office of the Town Clerk.

#### **5.9 Time Limit for PERMIT**

Any PERMIT granted by the BOARD shall lapse within two years from the date of filing of the BOARD'S DECISION with the Office of the Town Clerk unless substantial use or construction

under the PERMIT has begun, except for good cause, or if the BOARD has specified a shorter time period in the DECISION.

- 5.9.1 A reasonable extension of said time may be granted by the BOARD where good cause is shown. Any request for an extension of the specified time limitation set forth in the DECISION shall be made in writing to the BOARD at least thirty days prior to the expiration date. The BOARD reserves its rights to grant or to deny such extension if good cause for such extension is not shown. Failure to submit such a request as prescribed above shall be due cause for the BOARD to deny the requested time extension.

## **5.10 As Built Plan**

Upon project completion, the APPLICANT shall provide two copies of the As Built Plan, plus electronic copies in PDF and scalable CADD formats, registered to the Massachusetts State Plane Coordinate System. The As Built Plan shall show the entire project as completed including but not limited to the drainage, and wastewater disposal systems; final grading and limits of clearing; driveways; parking LOTS; public and private utilities (above and below grade); and BUILDINGS and STRUCTURES as they exist. All elevations shall refer to the National Geodetic Vertical Datum (NGVD) of 1929.

## **5.11 Limitation of the DECISION**

The granting of a PERMIT constitutes approval only under the pertinent sections of the BYLAW. Other permits or approvals required by other governmental boards, agencies, or bodies having jurisdiction such as the Board of Health, Acton Water District, and Conservation Commission shall not be assumed or implied. The BOARD may condition any PERMIT hereunder on satisfactory demonstration of compliance with the requirements of other governmental bodies having jurisdiction prior to the start of any work on the site, the issuance of a BUILDING Permit, or any other appropriate step in the development process. The APPLICANT is hereby encouraged to seek approvals and certificates of compliance from such other governmental bodies prior to or concurrently with the APPLICATION to the BOARD.

## **5.12 Repetitive Petition**

Pursuant to MGL., Chapter 40, Sect. 16, no APPLICATION which has been unfavorably and finally acted upon by the BOARD shall be acted favorably upon within two years after the date of final unfavorable action unless four members of the BOARD vote to find that specific and material changes in the conditions upon which the previous unfavorable action was based have occurred and describe such changes in the records of the BOARD'S proceedings, and all but one member of the BOARD consents to the consideration of the matter. Notice to PARTIES IN INTEREST shall be given by the APPLICANT of the time and place of the proceedings at which the question of consent will be considered.

## **5.13 Amending a PERMIT**

A previously granted PERMIT may be amended by written request to the BOARD or on the BOARD'S own motion. The BOARD shall determine whether any request for further alterations to a site constitutes a minor amendment or if such request should be considered a new APPLICATION requiring a public hearing.

The BOARD may amend a PERMIT without a new public hearing provided it finds that the amendment is not significant to the public interest and is consistent with the purpose and intent of the BYLAW. Consultation with the Planning Department is recommended prior to

the filing of any request to amend a PERMIT. The fee for minor amendments shall be \$250.
