

Acton Transfer Station and Recycling Facility

Swap Shop Program

Hours of Operation

The Swap Shop hours of operation shall be determined by the Acton Highway Department and posted at the facility. The Swap Shop operations will be open from the Spring through the Fall months. The hours of operation will be dependent upon the availability of the volunteers to oversee the program.

Drop-off

All items shall be dropped off in the facility and deemed acceptable by the attendant. All other items left outside of the building and/or not approved by the attendant shall be rejected and residents are required to take the item back with them.

Overloaded

If the Swap Shop is collecting more items than it can handle, the staff and attendant have the discretion of refusing items.

Acceptable Items

Items must be clean, dry and in good working condition

- Household items (glasses, silverware, pots & pans, folding chairs, etc...)
- Toys, games, puzzles (not broken or missing pieces)
- Tools (garden, mechanical, etc...)
- Lawn and Garden Equipment (bird feeders, hand tools)
- Sports equipment
- Baby/Child equipment

Non Acceptable Items

- Child safety equipment, car seats
- Large and/or upholstered furniture
- Electronics, televisions
- Appliances
