## **AGREEMENT**

Articles of Agreement made and entered as of \_\_\_\_\_, 2019, by and between the Town of Acton, Massachusetts, hereinafter called the "Town", and Massachusetts Coalition of Police Local 380, hereinafter called the "Union".

## **ARTICLE 1. - RECOGNITION**

1.1 The Town of Acton recognizes the Union as the exclusive collective bargaining representative for a bargaining unit consisting of all full-time and regular part-time sergeants and lieutenants employed by the Town of Acton, excluding the Chief of Police, Deputy Chief of Police, all patrol officers, special and auxiliary police officers and all confidential managerial, casual and other employees, as described by the Labor Relations Commission in Case No. MCR-05-5162.

The parties recognize that Massachusetts General Laws, Chapter 150E, governs the relationship between the parties.

1.2 The Union recognizes that the Chief and Deputy Chief have command authority and supervision of the Police Department and may exercise their police powers at any time.

The parties agree the following duties are not duties exclusively to be performed by members of the Superior Officers' bargaining unit:

Supervision of Dispatch

Supervision of Internal Affairs

Supervision of Records

Supervision of Detectives (A Lieutenant shall be assigned to the day-to-day supervision of the Detectives.)

Firearms: a member of the bargaining unit will be assigned to perform firearms permits but it is not an exclusive duty of the bargaining unit and certain duties may be assigned outside the unit.

## **ARTICLE 2. - DISCRIMINATION**

2.1 All superior officers shall have the right to join the Union and to engage in Union activity. There shall be no intimidation, coercion or discrimination of any kind against any superior officer because of membership in or activity on behalf of the Union, or because of lack of such membership or activity.

## **ARTICLE 3. - SENIORITY**

3.1 All the superior officers shall be placed on shifts in accordance with seniority within rank except that nothing in this Article shall be deemed to affect the right of the Chief to make such shift assignments as are reasonably necessary to maintain efficiency.

3.2 On the effective date of this Agreement a list of shifts for each rank shall be posted on the bulletin board in the police station. Officers in each rank shall pick their shifts in order of seniority.

The Chief will determine if the Day Shift Sergeant will work a 4&2 or 5&2 work schedule

- 3.3 Whenever a temporary vacancy occurs in any shift, it shall be posted for five (5) days on a bulletin board in the station. The senior officer within the rank that requests the vacancy in writing shall be given the shift. Any shift vacancy will be offered to the regular police officer or a full-time officer. A vacancy shall include absences of duty due to vacations, long-term illnesses, schooling, holidays, personal days and sick days. The Town is under no obligation to fill a vacancy.
- 3.4 Seniority is defined as the length of time within the rank, as determined by the date of appointment. In the case of tie, the date of appointment to the next lower rank shall prevail, and in case of a tie between patrolmen, position on the civil service list shall prevail. If a tie still exists, the length of employment in the Department shall prevail.
- 3.5 An officer assigned to duties of the Chief shall be paid the Chief's rate starting the third full day of such assignment or for being on call in such capacity.
- 3.6 Vacancies for Scheduled Sergeants Shifts
  - 3.6.1 Vacant shifts will be filled by seniority.
  - 3.6.2 All vacancies for scheduled sergeant's shifts shall be posted for five days on the bulletin board. All posted vacant shifts will be assigned 72 hours prior to vacancy and there will be no bumping less than 72 hours prior to the shift. If the supervisor's slot on the shift becomes vacant less than 72 hours, but more than 24 hours prior to the time of the shift, the "sergeants list" will be called by the on duty supervisor, and the shift will be assigned 24 hours prior to the shift. Bumping rights expire at the 24-hour mark. If the vacancy becomes known within 24 hours prior to the time of the shift, the sergeants' list will be called by the on duty supervisor, and the shift will be assigned based on the "Order In" list after the expiration of a two-hour time period from the time the first call was placed, if possible.
  - 3.6.3 All Union members are responsible for maintaining a contact number/location on a daily basis.

#### **ARTICLE 4. - BULLETIN BOARDS**

- 4.1 The Town shall provide space for a bulletin board in the police station to be used by the Union for the posting of notices concerning Union business and activities. Nothing inflammatory shall be posted upon said bulletin board.

## ARTICLE 5. - COMPENSATION

Effective July 1, 2019 the members of the bargaining unit shall be paid pursuant to the Superior Officers Wage Schedule, see Attachment A.

5.1 Attachment A shall be adjusted by the following cost of living adjustments:

July 1, 2019: 2 %

July 1, 2020: 2 %

July 1, 2021: 2 %

### Promotional Opportunity on Salary Chart:

#### Lieutenant:

3 years-Step 2  
6 years-Step 3  
9 years-Step 4  
12 years-Step 5  
15+years-Step 6

#### Sergeant:

5 years-Step 2  
10 years-Step 3  
15+ years-Step 4

Officers will be credited with the number of years in their most recent lower rank and will be placed on the corresponding "promotional opportunity" step.

Effective July 1, 2019 a Step 8 will be added to the Sergeant's Wage Schedule. The pay differential above Step 7 will be 1.75%.

All members of the bargaining unit will move up one Step on July 1, 2019. All members of the bargaining unit will be eligible to move up another Step on their anniversary date in FY 2020 provided they meet the requirements to move up.

Employees eligible for the Quinn bill will be defined as, "All Officers hired after July 1, 1997 and those officers eligible for the Quinn bill under MGL."

Present members of the bargaining unit will sign waivers of their right to participate in Master Health Plus or a PPO. If a new member of the bargaining unit promoted from the patrolmen's unit is enrolled in an indemnity plan or a PPO, that member may stay on the plan with a 50%/50% premium split. Any other new member of the bargaining unit will not be permitted to participate in the indemnity or the PPO.

5.2 Superior officers working 3:00 p.m. to 11:00 P.M. and 11:00 P.M. to 7:00 A.M. shall receive a shift differential of \$1.50 as of July 1, 2017 and \$1.75 as of July 1, 2020 per hour.

The shift differential will be per hour rate whether the officer is on straight time or overtime.

- 5.3 The officers assigned to and performing the duties of Detective, Youth Officer/Detective and Prosecuting Officer for the department shall each be paid an additional sum of one hundred and eighty dollars (\$180.00) per month in excess of base salary. The officers assigned to and performing the duties of official police photographer and safety officer, shall each be paid the additional sum of one hundred dollars (\$100.00) per month in excess of base salary. Effective July 1, 2019 a Firearms Use of Force Instructor stipend will be created to be paid at \$90.00 per month. An officer cannot receive more than one stipend.
- 5.4 An officer called back to work at any time when he/she would not normally be working shall be paid for a minimum of four hours of work regardless of the time actually worked by said officer.
- 5.5 A superior officer shall be paid contract overtime for all hours worked in excess of eight (8) in a day or an average of forty (40) hours in a week and shall be paid at a rate of one hundred and fifty (150%) percent of the officer's base hourly pay.

Lieutenants will be eligible for overtime upon the approval of the collective bargaining agreement by the Town Meeting.

Effective on the first day covered by the first payroll on or after July 1 1999, paid time off as set forth in this Agreement, excluding sick time, will be treated as time worked in calculating overtime. Sick time used within a 28-day period will not count as hours worked for calculating overtime during that 28-day period. For implementation, the officers will receive their normal pay and the amount paid will be reconciled every 28 days with the amount they should have received. If the Town owes money, it will be included in the next check, and if the officer has been overpaid, the amount will be deducted from their next check.

Effective July 1, 2015 the first three (3) sick days taken by a Superior officer in a fiscal year will count as hours worked for the calculation of overtime in the 28 day period. If a Superior Officer is absent from work due to hospitalization and is under a doctor's care after hospitalization and presents a doctors' note for the hospitalization and the aftercare, the days missed will count as hours worked for the calculation of overtime in the 28 day period.

- 5.6 A superior officer may be held back a step on the basis of performance at the recommendation of the Police Chief and approval of the Town Manager.
- 5.7 As a result of the affirmative passage of Article 8 of the June 21, 1973 Special Town Meeting, the revolving fund established by Article 13 of the 1973 Annual Town Meeting is funded.

5.8 The Town agrees to compensate each Superior Officer during the term of this Agreement a sum of six hundred (\$600.00) dollars per year for being certified and trained in the public health and safety procedures of all devices and equipment and methods of approved use by law enforcement personnel by the Executive Office of Public Safety and/or the Department of Public Health for all the devices and methods adopted by the Acton Police Department at the discretion of the Police Chief.

5.9 The parties agree the Town has adopted a work period of twenty-eight (28) consecutive days to determine overtime pay as required by the FLSA. A superior officer shall be paid time and one-half his/her regular rate for all hours worked in excess of 171 hours in a work period of twenty-eight (28) consecutive days. Sick leave, vacation, personal leave, bereavement leave, line of duty injury time and any other paid leave and time not worked by an officer under a guaranteed pay for a minimum number of hours shall not be considered hours worked under the FLSA.

The FLSA regular rate shall be determined pursuant to the FLSA regulations. The Town of Acton will calculate and furnish each individual police officer's FLSA overtime rate.

The parties acknowledge they entered into an agreement by which the Town of Acton would support an April 1998 Annual Town Meeting Article put forth by the Union, which urged the voters of the Town to accept MGL Ch. 41, Section 108, "the Quinn Bill." One of the keystones in the decision process of the Town of Acton was an agreement between the parties that remuneration received by a police officer under the terms of the Quinn Bill was not to be included in the calculation of either the contractual overtime rate or the FLSA overtime rate. Subsequent to the Agreement on December 2, 2003, the United States Court of Appeals for the First Circuit ruled that Quinn Bill payments are to be included in the calculation of the FLSA overtime rate.

The parties now acknowledge the Town of Acton's failure to include Quinn Bill payments in the calculation of the FLSA overtime rate was based upon the best information at that time and agreed to by the Union. As such, the parties agree it was not a willful violation of the FLSA. The parties further acknowledge the statute of limitations under FLSA is two years for non-willful violations. The Town of Acton acknowledges that the two-year repayment obligation caused by not including Quinn Bill payments in the FLSA overtime rate calculation is not waived by this Agreement.

Quinn Bill payments shall not be included in the base rate for calculating contract overtime.

5.10 Lieutenants working overtime are subject to the approval of the Chief or his designee. Lieutenants may be ordered in to work overtime.

5.11 It is preferable, but not mandatory, for a sergeant to be assigned on every shift.

## ARTICLE 6. - LEAVE

### 6.1 SICK LEAVE

6.1.1 Each officer shall be granted fifteen (15) days paid leave for illness in each year. Each officer may accumulate 140 unused days of sick leave from year to year.

6.1.2 The Chief shall maintain a complete and current record of all sick leave accumulation for each officer and shall make that record available to that officer upon request.

6.1.3 At the start of a single, continuous, prolonged illness, a regular full-time officer or regular part-time officer working twenty (20) hours or more a week may be given three (3) days of sick leave for each day of regular sick leave accumulated, if necessary, up to a maximum of one hundred and forty (140) days, on the recommendation of the Chief with the approval of the Town Manager. A written statement from the officer's doctor on the nature and probable duration of the illness shall be required. If extended sick leave is given, the officer will have an accumulation of zero (0) sick days on his/her return to work.

6.1.4 Sick leave may be used only for illness or injury to the officer, and only while in the employment of the Town. Up to a maximum of forty (40) hours of sick time may be used for immediate family members per fiscal year. No sick leave accumulations may be considered as a basis for payment upon termination of employment. In order to be eligible to be granted sick leave, the officer must notify his/her supervisor of his/her sickness or injury, time expected to be incapacitated and when he/she expects to return to work. The Chief or designee is expected to check on such absences and to check with the doctor and to obtain the doctor's certification if, in his/her judgment, the situation demands such certification.

6.1.5 The Employer has the authority to administer progressive discipline in situations in which it can be proved that an employee is abusing sick leave. Evidence of sick leave abuse may include submitting of false information concerning the reason for the need to use sick leave and an officer's repeated pattern of taking sick leave in conjunction with holidays and other paid leave.

### 6.2 PERSONAL LEAVE:

6.2.1 The Chief may authorize excused absences with pay up to a maximum of three (3) working days during the fiscal year for unforeseen or unusual situations requiring the absence of a regular full-time officer for all or a portion of a working day.

### 6.3 FUNERAL LEAVE

6.3.1 Payment will be made for lost time up to three (3) days because of the death of a parent, spouse, child, sister, brother, grandmother, grandfather, grandson,

granddaughter, mother-in-law, father-in-law, sister-in-law, brother-in-law, son-in-law, daughter-in-law, aunt or uncle.

- 6.3.2 Individual consideration may be given by the Town Manager for longer absences, or for absences because of the death of any relative for whose care and support the individual is primarily responsible.

#### 6.4. MILITARY LEAVE

- 6.4.1 Officers shall be entitled to a leave of absence during the time of their compulsory service in the armed forces of the Commonwealth or during a compulsory annual tour of duty not exceeding seventeen days as a member of the reserve component of the armed forces of the United States, and shall receive the difference between their base pay for such service and their regular rate of compensation from the Town. They shall also be entitled to the same leaves of absence or vacation with pay as provided in this contract.

- 6.4.2 The officer must present his/her military orders to the Chief for inspection.

#### 6.5 JURY DUTY LEAVE

- 6.5.1 An officer who is called to jury duty shall be granted Jury Duty Leave. If the jury fees amount to less than the officer's regular rate of compensation, the officer shall be paid an amount equal to the difference between them. Notice of service shall be filed with the Chief upon receipt of summons.
- 6.5.2 When an officer has been granted jury duty leave and is excused by proper court authority, the officer shall report back to his/her official place of duty whenever the interruption in said service will permit four or more consecutive hours of employment during the hours of his/her scheduled tour of duty.

#### 6.6 LEAVE OF ABSENCE - EDUCATION

- 6.6.1 A leave of absence for educational purposes may be granted by the Town Manager provided that the contemplated course of study directly relates to potential improvement of the employee's service to the Town.
- 6.6.2 All such leaves shall be granted solely at the discretion of the Town Manager.

#### 6.7 LEAVE WITHOUT PAY

- 6.7.1 A general leave without pay may be granted to an officer who is regularly scheduled to work twenty (20) hours a week or more for up to one (1) year.
- 6.7.2 An officer requesting a general leave must submit to the Chief the request stating the reason and exact duration of leave.

- 6.7.3 During general leaves without pay no fringe benefits will accrue or be granted. Officers on leave will be allowed to maintain health and insurance coverage, provided the officer pays the entire cost of these benefits.
- 6.7.4 Union Leave — A maximum of three (3) days without the loss of compensation shall be granted annually to the collective bargaining unit for local union officers to attend state, district, regional and national union meetings, conferences, seminars and conventions.
- 6.7.5 The Town agrees to abide by the terms of the Family Medical Leave Act (FMLA) and to apply the terms of this Agreement in a manner consistent with the Act. Leave entitlement under state law, this Agreement, and FMLA run concurrently when they cover the same type of leave.
- 6.7.6 All such leaves shall be granted at the discretion and approval of the Police Chief and Town Manager.

6.8 COMPENSATORY DAYS 5-2 EMPLOYEES

Employees assigned to the 5 - 2 work schedule shall be granted an additional six (6) days off during the course of the fiscal year. The use of these days shall be granted by the Chief at such times as, in the Chief's opinion, will cause the least interference with the performance of the regular work, the overtime needs of the Department, and the preferences of the individual employees.

This provision shall become effective at the beginning of July 1, 2002.

**ARTICLE 7. - COURT APPEARANCE**

- 7.1 Officers who are required to appear in court to give testimony in a civil case shall be compensated therefore at the same rate as in a criminal case; provided, however, that an officer shall not be entitled to compensation from a private party for hours when he/she is on regular duty for the Town. This paragraph shall not apply to civil cases in which the officer is involved which are unrelated to his/her official duties.
- 7.2 Any employee required to attend court while on duty at night or on vacation, furlough or on a day off shall receive a minimum of three (3) hours pay for each assignment; provided, however, that if the employee so attends during any one day on more than one occasion, he/she shall be entitled to pay only equal to the minimum provided above or the time actually worked, whichever is greater.

**ARTICLE 8. - VACATIONS**

- 8.1 Each employee shall earn vacation with pay, as provided in subsection 8.3, at the following rates:
- (1) Two (2) work weeks or ten (10) days after completion of one (1) year of continuous service;

- (2) Three (3) work weeks or fifteen (15) duty days after completion of five (5) years of continuous service;
  - (3) Four (4) work weeks or twenty (20) duty days after completion of ten (10) years of continuous service;
  - (4) Five (5) work weeks or twenty-five (25) duty days after completion of twenty (20) years of continuous service.
- 8.2 No employee shall be entitled to take any vacation until after completion of one year of continuous service. Upon completion of one year of continuous service, each employee shall be entitled to take that number of vacation days, which he/she earned during the prior fiscal year as provided in subsection 8.3.
- 8.3 In each fiscal year each employee shall earn his/her full vacation, as provided in subsection 8.1, if he/she shall actually work for the Town forty (40) weeks in the aggregate. If an employee shall actually work for the Town less than forty (40) weeks in any fiscal year, the employee shall earn a percentage of his/her full vacation under subsection 8.1 equal to that percentage of said forty weeks during which the employee shall have actually worked for the Town. The vacation days earned in each fiscal year shall be taken in the following fiscal year. The parties agree that Exhibit A (attached at the end of this Article) sets forth the number of vacation days earned in any fiscal year. In any year when an employee shall complete five (5) years of continuous service, as the case may be, such employee shall be deemed to have earned vacation days during the prior fiscal year at the relevant higher rate as set forth in subsection 8.1, but such additional vacation days may not be taken until after the anniversary date of his/her employment in such fiscal year.
- 8.4 Vacations shall be granted by the Chief at such time as, in the Chief's opinion, will cause the least interference with the performance of the regular work of the department, but taking into account, as far as possible, the preferences of the individual employee. Vacations earned as of July 1 must be taken on or before June 30 of the same fiscal year. If a holiday falls within the vacation period of an employee, the employee shall be granted an additional day of vacation. No officer may be required or permitted to forego his/her vacation and receive extra pay in lieu thereof.
- 8.5 Vacation periods shall be selected in accordance with seniority within the rank. An officer's vacation shall be taken on consecutive days and weeks unless the officer otherwise requests and the Chief agrees thereto. Vacation shall be scheduled on a fiscal year basis.
- 8.6 If any officer wishes to split his/her vacation with another officer in the same rank, the officer shall be permitted to do so with the consent of the Chief.
- 8.7 If an officer is required to attend court during his/her vacation, the vacation shall be extended one working day with pay for each day (or part thereof) in court.

- 8.8 Upon the death of an officer who is eligible for a vacation under the provisions of this section, payment shall be made to the estate of the deceased in an amount equal to the vacation allowance earned in the vacation year prior to the officer's death, but which had not been granted. In addition, payment shall be made for that portion of the vacation allowance earned but not used in the vacation year during which the officer died, up to the time of the officer's separation from the payroll.
- 8.9 Officers who are eligible for vacation under these rules and who leave employment by resignation, dismissal, retirement, or by entrance into the armed forces, shall be paid an amount equal to the vacation allowance earned, and not granted in the vacation year prior to such dismissal, retirement or entrance into the armed forces. In addition, payment shall be made for that portion of the vacation allowance earned but not used in the vacation year during which such dismissal, retirement, or entrance into the armed forces that occurred, up to the time of the employee's separation from the payroll.

#### **ARTICLE 9. HOLIDAYS**

- 9.1 Work holidays shall be observed in accordance with the General Laws of the Commonwealth of Massachusetts. The following holidays shall be paid holidays: New Year's Day, Martin Luther King Day, Presidents' Day, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving, Christmas Day. Effective July 1, 2021 the Day after Thanksgiving will be added as a holiday.
- 9.2 Only essential work, as determined by the Chief, will be scheduled on a recognized holiday. Except for work so scheduled, all employees in continuous service will receive the holiday off, with holiday pay, provided the holiday falls on a regularly scheduled workday for the employee. A holiday falling on Sunday will be observed on the Monday next following. If a holiday falls on a scheduled day off, an employee in continuous service will be given an additional day off at the convenience of the department.
- 9.3 In order to be eligible to receive holiday pay, the employee must have been in pay status on his/her last scheduled work day prior to the holiday and his/her first scheduled work day following the holiday, unless absent with the prior permission of his/her supervisor.

#### **ARTICLE 10. - SWAPS**

- 10.1 Officers shall be allowed to exchange any shift with any officer with the consent of the Chief, which consent shall not be unreasonably withheld.
- 10.2 Full-time Officers will work 40 hours a week under the plan commonly known as the "4 & 2 Plan" with straight shifts.

#### **ARTICLE 11. - EXTRA PAID DETAIL AND OVERTIME**

- 11.1 The following provisions shall govern the assignment of extra paid details to officers where the detail is to be paid for by another Town Department, by a governmental body or outside individual, groups, corporations or organizations:
1. Such extra paid detail assignments shall be made by the Chief or the Chief's representative except that extra paid details are voluntary. Both private and town details will be assigned on a rotating basis according to rotating hours. The Chief shall maintain a record of all such assignments, which may be examined at any reasonable time by any member of the Union. No officer or other person shall accept any such assignment unless the same is made by the Chief or his/her representative.

2. No such assignment shall be made unless the person or organization requesting service, except as hereinafter provided, has agreed to pay the following rates effective as approval of the Town Meeting of the cost items of this Agreement:
  - A. The hourly private detail rate shall be \$46.00 in FY 2019; \$53.00 in FY 2020; \$54.00 in FY 2021 and \$55.00 in FY 2022 with a minimum of four (4) hours.
  - B. Work in excess of eight (8) hours on a detail; between 11:00 pm and 7:00 am; or on a Sunday or a Holiday shall be paid time and one half the detail rate in effect per section 11.2. A.
  - C. Notwithstanding the above, it is understood and agreed that the Commonwealth of Massachusetts will determine the detail rate on all state details.
  - D. The Town will require contractors to pay 50% of anticipated detail costs in advance.
3. The foregoing minimums shall not apply to non-profit organizations, including Town Details and contractors hired by the Town, nor shall such organizations be required to pay at any rate in excess of 150% of the officer's regular hourly pay. The Union agrees that all "Town Details" are, in fact, overtime shifts and not outside details. "Town Details" include all work funded by appropriations to be spent by the Town Manager or municipal spending.
4. A minimum of two (2) officers shall be assigned to a strike detail. Strike duty rate is double the normal rate.
5. Assignment shall be made to regular police officers or full-time officers if available.
6. Paid details will be a minimum of four (4) hours pay and eight (8) hours for details in excess of four (4) hours.
7. Lieutenants will be permitted to work town details and private paid details and the eligibility list will be:

Sergeants  
Patrol Officers  
Lieutenants  
Special Police Officers
8. Town details shall not count against the overtime shift cap.

- 11.2 Pursuant to state law, the determination of the level of services, as well as the assignment of public safety employees, are what the courts refer to as non-delegable exclusive managerial prerogatives. The Town and the Union acknowledge that the Chief of Police possesses the discretion to determine the appropriate level of police service as well as the qualifications of persons to perform traffic direction in the Town to ensure public safety. Therefore, notwithstanding any regulation to the contrary, the Chief of Police has the discretion to require, based on public safety needs, the presence of a sworn police officer, including, but not limited to, one employed on a paid detail basis, in all instances where there is a street opening or any work to be done on a public way or at a public function in Town. The parties also acknowledge that the Chief of Police has the further discretion to determine the number and ranks of officers assigned in any such instance necessary to maintain public safety or other legitimate interest of the community or department.
- 11.3 Officers shall be permitted to work out-of-town details in contiguous towns, subject to the Chief's or his designee's discretion and subject to the policy of in-Town details. The exercise of this discretion shall not be subject to the grievance arbitration provisions of the contract.

Billing for out of town details shall be the responsibility of the Town of Acton and will include the standard administrative fee.
