TO: John Mangiaratti, Town Manager

FROM: Sheryl Ball, Health Director

RE: NARA PARK RE-OPENING RULES AND LIMITATIONS

Effective Wednesday, May 27:

- **Limited Opening of NARA Park with Restrictions**

- One Way Walking Paths
- Athletic Fields for use by the same household and only non-contract sports allowed
- Stay home if you are sick
- Face Coverings or Masks are required in compliance with COVID-19 Order 31: Order Requiring face coverings in public places where social distancing is not possible
- Visitors should always practice social distancing by remaining 6 feet away from others and adhering to all site specific rules, regulations, and posted signage regarding permitted uses.
- On walking trails, walker and hikers, should move aside and leave room for others to pass, and runners should alert other users when approaching and wait for others to step aside before passing.

At this time, the Beach, Bathhouse, Picnic Pavilion and Playgrounds will remain closed. Safety is our number one priority and we need some time to implement safety protocols for our users and workers prior to opening. Please be patient, we are working on these protocols and we will update you with changes as soon as possible.
