

## PUBLIC FORUM #2 – 19-21 MAPLE STREET LOT (FORMER RICHARDS PROPERTY) FEASIBILITY STUDY

The Town of Acton is considering improvements to the 19-21 Maple Street property and has engaged a consulting team to support this effort. The Town is seeking public input as part of the project to build consensus around a proposed development scenario. This forum will be an opportunity to review preliminary site concepts and offer comments on potential improvements. Comments received via online survey and at the first Public Forum will be reviewed and proposed site designs reflect prior input. Please join us on February 24<sup>th</sup>!

### Background

The 19-21 Maple Street property features 40 reserved parking spaces, multiple bicycle racks, and two buildings. Using the feedback gathered through the October 2020 Online Survey and the November 2020 Public Forum, the Town has developed preliminary site concepts that include:

- Additional car and bicycle parking
- Improved pickup and drop-off and site circulation
- A new access point to the station and improved pedestrian connections
- Re-use of existing buildings
- Improved landscaping and plantings

**Virtual Public Forum: Wednesday, February 24, 2021, at 7 PM**
