***TRENCH PERMITS: \$100**

In the event of an unattended unprotected trench the property owner and excavator of the trench will be fined a minimum of \$800 per day or a fraction thereof plus (1) the cost to have a police detail provided by the Town of Acton to attend to the unsecured trench and (2) time, materials and equipment to secure the trench as the Town sees fit. In the event that the Town of Acton provides rescue services as the result of a trench, which does not meet the standards set forth by the aforementioned regulations, the property owner and excavator will pay all associated rescue costs (time, material & equipment).
