

Distribution of Properties by Fiscal Year 2024 Assessed Values

This graphic shows the number of residential properties (including single families, condominiums, and multi-families) in each valuation group in Fiscal Year (FY) 2024 in Acton, Massachusetts. This serves as a visual representation of how many property owners fall into each tax bill impact category. Current values are for FY 2024, and will likely change for FY 2025. FY 2025 Values are determined in November-December 2024.
